

The solution your high performing, middle-market clients and prospects have been waiting for:

Private Insurance

Our one-of-a-kind Private Insurance Structure provides all of the benefits of traditional captives - and more - without the baggage. This offering is groundbreaking, intuitive and growing rapidly with top brokers.

Are your top clients complaining that they are paying too much for commercial insurance despite an excellent claims history? Captive Alternatives is now partnering with a major carrier to provide a variety of P&C lines, matched with a captive-like reinsurance structure to give your top performing clients and prospects more of their own pie - without affecting your commissions.

Why Private Insurance?

Retain top clients

Attract new prospects

Differentiate yourself in market
